NOTICE IS HEREBY GIVEN that the Leaking Underground Fuel Tank (LUFT) Task Force – Revising Article 11 Committee will hold a public meeting to discuss specific proposals for long-range changes in the cleanup program based on changes to the cleanup regulations described in Article 11.

This meeting will be teleconferenced and shall be audible to the public at the provided locations.

The purpose of the LUFT Task Force is to make recommendations to improve the LUFT cleanup regulatory program.

INFORMATION REGARDING THE MEETING

It was decided at the August 4, 2009 LUFT Task Force Meeting that the following committees would be formed to work on proposals for future LUFT Task Force Meetings.

1. Closure Resolution – Combined Regional Board Approach. A proposal for immediately improving the program under existing regulations and laws. This committee is headed up by Ravi Arulanantham, ravi.arulanantham@amec.com, (510) 663-4130.
2. Beyond Risk. A look at addressing cleanup from a perspective that goes beyond simple risk assessment and considers property values and other considerations. This group is headed up by Markus Niebanck, markus@amicusenv.com, (510) 839-4000 ext 234.
3. Accountability and Administration. Specific proposals for improving administration and accountability in the cleanup program. This committee is headed up by Rose Coughlin, racough@pacbell.net, (818) 261-1507.
4. Dispute Resolution. Developing an informal dispute resolution process. Headed by Peter Niemiec, peter@peterniemiec.com, (310) 546-7147.

California Environmental Protection Agency

5. Revising Article 11. Proposals for long-range changes in the cleanup program based on changes to the cleanup regulations described in Article 11. This group is headed up by Bob Schultz, Robert.Schultz@amec.com, (510) 663-4100.

This meeting will discuss specific proposals for long-range changes in the cleanup program based on changes to the cleanup regulations described in Article 11.

Any questions about this meeting should be directed to Mr. Kevin Graves at (916) 341-5782 or KGraves@waterboards.ca.gov.
